PROFILE SUMMARY

Experienced in customer support and management, I have pivoted my career path to web development through a comprehensive coding bootcamp and continuous self-paced online learning. My project management and interpersonal skills enhance my ability to deliver innovative digital solutions. I'm eager to apply my technical and creative skills in a dynamic environment that values strong communication and a proven track record of success.

TECHNICAL EDUCATION

UCI FULL STACK DEVELOPER BOOTCAMP, IRVINE, CA

- Comprehensive training covering front-end and back-end technologies.
